

BePunctual Event Attendance System

Your Reliable Partner in Event Attendance Management

Time Saving

- › Cut down on preparation time: no need to pre-print event passes
- › Cut down on registration time: only 5 seconds per user, including printing of event pass.
- › Easily import your participant list day before the event
- › Instantly check and print who still has not sign in and who has signed in.

Very Flexible

- › Unlimited sign in stations can be deployed
- › Support multiple events at the same time
- › Easily design the event passes. Photo passes supported.

User Friendly

- › Very easy to setup, learn and use
- › Self-sign in can be implemented

Others

- › Support participant replacement
- › Support on-the-spot new registration
- › Send pre-event reminders via emails or sms

Go Green

- › Passes are printed on the spot and only for those who attend
